Carbondale, PA 18407

Dear Ms. McMahon:

Thank you very much for becoming a member of the Committee to Restore Carbondale City Hall, Inc. The generous contributions of civic-minded citizens, such as yourself, truly help to guarantee the future of the city of Carbondale.

During the current membership drive, the Committee hopes to be able to raise the funds necessary in order to have the roof on the south side of the two-story wing (erected in 1859) and on the clock tower (erected in 1892-1894) of Carbondale City Hall rapaired before the arrival of Winter 1982. If sufficient funds are raised, the Committee will have the exterior masonry of Carbondale City Hall cleaned, repaired and repointed this year.

The Certificates of Membership to the Committee are currently being printed. As soon as they are available, one will be mailed to you. Volume I, Number 1 of the BULLETIN OF THE COMMITTEE TO RESTORE CARBONDALE CITY HALL will be published this Fall, and will contain a complete account of the educational and historical activities that were sponsored by the Committee during Carbondale's Fourth Annual Pioneer Days, August 23-28, 1982. At that time, you will receive a copy of the BULLETIN, as well as a complimentary copy of NORTHEASTERN PENNSYLVANIA.

The Committee meets biweekly in Council Chambers in Carbondale City Hall. The next meeting of the Committee will be on October 7, 1982. You are cordially invited to attend.

Again, thank you for joining us. Together we will preserve and protect Carbondale's irreplacable architectural and cultural heritage.

Sincerely yours,

S. Robert Powell
President
